

# ROAD TAX REPORT

TAX PROFESSIONALS ■ TECHNOLOGY CONSULTANTS ■ RECORDKEEPING

## Important Dates

**12/5/09** - November Trip Logs received by the 5<sup>th</sup> of December earn a \$5 discount.

**12/20 – 1/31** – Watch for your 2010 IFTA decals, New Mexico Tax ID Permits confirmations and Oregon Weight Receipts to arrive in the mail.

**12/25/08 - SEASONS GREETING!**

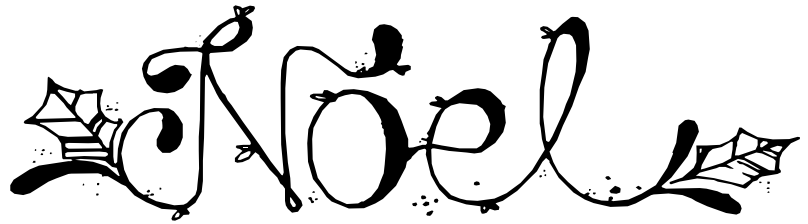

**12/25 – 12/31** – We will not keep regular office hours between Christmas and New Years. We will check our messages and do our best to take care of any emergencies. Please plan ahead so that you have all you need from our office before the holiday season begins.

**12/31/09** – Be sure all your renewal applications (DMV, IFTA, New Mexico & Oregon) have been submitted and your fees paid in full! The penalties for being late are severe!!

### UCR Enrollment for 2010!

2010 UCR registrations are still not being accepted. We will notify you when the fees are finalized and registration applications are being accepted. Until then – enjoy keeping your money in your pocket.

### Grace Periods

IFTA has a two month grace period to allow time for renewals to be completed and 2010 operating permits be sent to you. This Grace Period is only granted to those whose 2009 credentials are in good standing and whose renewal applications and fees are submitted by December 31, 2009. The IFTA Grace Period Memorandum is enclosed with this newsletter.

Keep it in your truck until your 2010 credentials arrive!

### Important BIT Information!!

Every carrier is responsible to submit an application for their next BIT inspection **7 – 9 months before** it is due!!

It is up to YOU to request your inspection on time or a 60% penalty is added to the fees due!! CA does not mail a notice or application when your due date is approaching.

#### For example:

If your last BIT inspection was 12/5/2007  
your next BIT inspection is due 12/5/2009.

Your application and fees must be submitted by 5/5/2009.

If your application is late and fees for ONE truck = \$270  
adding a 60% penalty means you would owe \$432!!

Please call us with the date of your last BIT inspection so that we can help remind you when to submit your next application and fees. If you do not know these important dates, please let us know so that we can contact the CHP and request this information for you!!
