IT's TIME FOR 2290's - AGAIN!

* * Heavy Highway Vehicle Use Tax * *

Every July all trucks with a taxable gross weight of 55,000 pounds or more must be reported on Form 2290. Last month we sent you a form to review and return to us if you would like our assistance. Please be sure to return it by 7/15/2008 so that your tax return can be filed on time.

This year we bring you another money-saving opportunity! We have created a new web site at www.2290Tax.com where you can e-file your own Form 2290! Check it out and if you feel like saving a little money this year, do it yourself at our website! We are excited about our web option and are constantly on the look-out for ways to help our clients more efficiently.

Our fee for preparing this tax return is as follows:

- 1 to 5 Trucks \$ 75.00
- 6 or more Trucks \$ 125.00
- E-file your own 2290! \$39.95/99.95

Tax Tips - Form 2290!

DID YOU KNOW . . . if you have trucks just sitting in your yard – going nowhere because of the high fuel prices you can “suspend” that vehicle on your Form 2290? That means you DO NOT OWE THE TAXES UNTIL IT TRAVELS OVER 5,000 miles!!! When you start using the truck again just e-file an *amended* Form 2290 and pay a prorated portion of the taxes!!

That will save you money!

SOME GOOD ADVICE!!

If you are selling your truck, don't forget to remove the IFTA stickers and license plates. These must be surrendered in order that your accounts can be closed in good standing and your liability to report stops. Please contact our office if you have questions.

If you go forth with a fifth on the 4th you can't go forth on the 5th!!
