YOU WILL NOT HAVE A GRACE PERIOD!!

If you drive with expired tags on your truck you will be ticketed and fined!! Unlike years past, you cannot wait until the due date to pay your fees and submit your application for renewal! We will help you get started in time by sending you a notice and request for information.

Be sure to respond promptly and call if you have questions.

Good records = good business!

Did you ever wonder what the big deal is with respect to keeping records?

Your fuel & mileage records determine how much you pay in IFTA taxes! They determine how much you pay in registration fees each year! They determine how much you pay in insurance premiums each year! And they come to your defense when the Board of Equalization, the DMV and your Insurance provider selects your account for audit.

When we call or write you to request better information, it is so that we can prepare the best tax return possible and so you have what you need should your account be chosen for an audit.

KEEP your copies of all tax returns, Trip Logs and Fuel Receipts for four (4) years!
