### 2009 RENEWAL CALENDAR!

**YES!!!** It's time to start planning renewals of your licenses, permits and registrations. Below is a summary of what to do and when to complete it:

**October:** IFTA, New Mexico Tax ID Permits and Oregon Weight Receipts are renewed in October. Please return your request by 10/31/08.

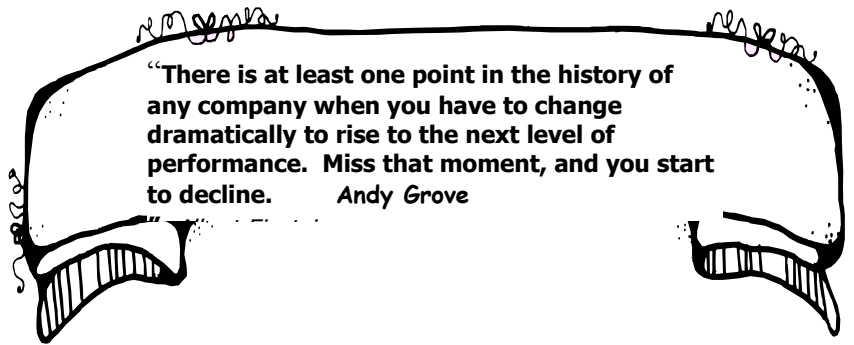

**November:** DMV registration packets will be completed. Be sure to send us your DMV packet when it arrives!

**December:** 2009 IFTA decals and Oregon Weight Receipts are mailed the end of December. Your 2009 Cab Cards will be mailed directly from the DMV in Sacramento as soon as your packets are processed & fees paid.

**10/31/08:** End of 3<sup>rd</sup> Quarter!! It's time to be sure all past due reporting is caught up and all taxes due are paid!! **Your 2009 permits and decals will NOT be issued until your accounts are current with the regulatory agencies!**

### STAY AHEAD OF THE DEADLINES!

Last year, our clients whose DMV applications were submitted and fees were paid in November had all their credentials for the new year **on time!** No panic - no phone calls - no temporary permits. But even if you can't pay your fees in November, let us prepare the paperwork so everything is ready to go when you are ready. Dec 31<sup>st</sup> will be here before you know it!

"There is at least one point in the history of any company when you have to change dramatically to rise to the next level of performance. Miss that moment, and you start to decline. Andy Grove
