INTRODUCING – Ana Luna!

We are delighted to introduce a new member of the A-Log team!

Ana has been around the trucking business a *loooog* time - (her father is a trucker and one of our clients!) She graduated from Cal State- San Bernardino with a major in Spanish literature. She started working in December, did tax returns in January and is a hit with our clients! Next time you call, take a minute and get to know her. We know you will like her and she will like you!

Referrals: Tell-A-Friend!

Hopefully we have given you something to talk about this year! Free registration renewal packets and no fee increases to name just a few of the ways A-log works hard to help our clients.

Look on the back of this newsletter for a simple way to tell your friends about A-Log.

Grace Periods!

*All grace periods have expired and it is important for you to have your 2008 operating credentials and decals **IN** your trucks!!*

Please call our office immediately and let us know if you are missing your IFTA, your New Mexico or your Oregon permits. Also let us know if you do not have a current Cab Card or Temporary permit from the DMV.
